Form

1. Name: _____
2. Research Area: _____
3. Address: _____

4. Contact Number: _____ E-mail ID: _____
5. User Category: NCT / Industry / Edu. Inst. / Any other: _____
6. Specify the appropriate category below:
 Research Scholar / P.I., in a Research Project. Ph.D. Scholar, with fellowship
 UG/PG/M/Phil Student, without Fellowship Teacher / Research Staff
7. Details of the samples (Nature/Composition/ Organic/Inorganic/melting pt. /boiling pt., any other). _____
8. Facilities to be used:
 - UV-Visible Spectrophotometer Electrochemical Work Station
 - Rota Evaporator FT/IR Spectrometer
 - CO2 Incubator
9. Number of samples: _____
10. Parameters to be measured: _____

Note: The obtained value for the required parameters will be sent through E-mail only. To get back the remaining sample please attach a self addressed stamped envelope

11. Special precautions for handling the sample if any -----

Certified that * the sample(s) to be measured are part of my research work, * the samples submitted are non-toxic / non-hazardous, and do not require any special precaution(s) while handling. "I/We agree to acknowledge the **TACW Central Instrumentation Facility ,Theivanai Ammal College for Women(A), Villupuram**. Tamil Nadu, India, in my / our publications and thesis, if the analytical results are incorporated / used therein.
